# **IVY GIRLS LEAD**

**For those aged 14-19.**

**Ivy Girls Lead provides the positive environment, opportunities, and connections to help young girls discover the leader within themselves. The program is for girls aged 14-19, who want to learn more about herself, her goals and dreams in a fun and positive environment.**

**Ivy Girls Lead will provide a peak into what it takes to be an accomplished leader in any chosen field. Since every girl is unique, the programme will help participants discover their true strengths and aspirations, and how they can be harnessed to achieve great heights.**

The program will be hosted online where we will engage in group discussion, personal reflection, and hands-on activities from February - March along with 3 months of mentorship support.

**Learn one-on-one from Ivy League-qualified, top global university-nurtured experts** who want to shape the next generation of dynamic leaders.

**We will help the girls create a self-development project and provide them mentorship for 3 months to help achieve their goals.**

Founded by a collective of  
**Ivy League alumni to create  
a global movement**

through young leaders,

moulded and motivated by  
***a restless passion***

to make a difference **worthy of our future.**
